

Accessibility statement

Model declaration of accessibility website and mobile application for
persons referred to in Article 3 paragraph 1-bis of Law No. 4 of
January 9, 2004

[BTREES SRL](#) is committed to making its website accessible, in accordance with Law No. 4 of
January 9, 2004 ("Stanca Law") published in Ufficiale Gazette No. 13 of 17/01/2004.

This accessibility statement applies to the domain www.btrees.it

Compliance status

Partially compliant in accordance with UNI CEI EN 301549:2022

This site is partially in compliance with the requirements of Appendix A of UNI CEI EN 301549:2022 due to the cases of non-compliance listed below.

Inaccessible content

Some content is not accessible due to partial or incomplete non-compliance with the provisions of Appendix A of IEC EN 301549:2022

- C.9.1.1.1 - Some non-text content presented to the user does not have an equivalent textual alternative that serves the same purpose;
- C.9.1.2.1 - Some pre-recorded media, although decorative, do not present equivalent textual alternatives;
- C.9.1.3.1 - In some cases, information, structure or correlations conveyed by page presentation, cannot be determined programmatically;;
- C.9.1.3.5 - The input fields of the "Jobs" form cannot be determined programmatically;
- C.9.1.4.3 - Visual representation of text and images containing text does not always meet the required minimum contrast ratio;
- C.9.1.4.11 - In visual presentation, the 3:1 contrast ratio is not always met with respect to adjacent color(s);
- C.9.2.4.7 - In some cases, the keyboard-usable user interface does not have an operation mode in which the focus indicator is visible;
- C.9.3.3.2 - In some forms, no instructions or labels are provided when the content requires user input actions;
- C.9.3.3.3 - In some cases, when an entry error is automatically detected, the item in error is not identified and/or the error is not described by text;
- C.9.4.1.1 - In some cases markup elements lack complete opening and closing tags or contain duplicate attributes;

- [C.9.4.1.2](#) - In some cases, name and role of interface components (modules, links, components) cannot be determined programmatically.
